

STATE OF SOUTH DAKOTA )

COUNTY OF Dewey )

Jake Kraft, first being duly sworn on oath, states and alleges as follows:

I.

That Affiant is an ag pilot and the owner of Ag Kraft Spraying, Inc., located in Timber Lake, South Dakota.

II.

That Affiant, in the course of spraying fields, has encountered wind turbines. That wind turbines make some fields impossible to spray, especially if the fields are hemmed in by turbines; the turbines eliminate any margin for error. That Affiant believes turbines will kill some pilots.

III.

That spraying fields where turbines are turned off is less of a problem than if on in the adjacent turn around area, but when companies are asked to turn the turbines off they refuse to do so as there is too much power demand.

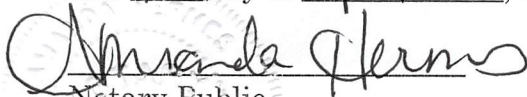

IV.

That Affiant sprays around turbines but he hates to.

FURTHER AFFIANT SAYETH NOT.
